3. Wise people see what's right in front of them. After the publication of a recent New York Times article on the connection between age and wisdom (which referenced Ardelit's research) a reader wrote her summing up wisdom as, basically, understanding the obvious. "Wise people know something," Ardelit says. "But the interesting thing is not that they know more, about, say, the origin of the ...

Sending messages with emojis is a quick, fun way for kids and teens to communicate. Adults love them, too. But like with secret text codes and new teen slang terms, there are some secret emoji messages that have a darker, more insidious side.. Kids are using emojis to bully other children, engage in risky behavior with drugs and alcohol, and even to solicit sex.
