It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

To maintain Cadillac's position luxury car market in the 1980s, an aspirational model was needed. Another objective was to combine the prestige of a European design along with a renowned coachbuilder to help Cadillac compete with Mercedes and Jaguar. It was the first modern-era two passenger roadster to wear the Cadillac name since the Cadillac Series 355 roadster body style of the mid-1930s.
