Across The Great Divide Cultures

This parenting clash occurred between two “Westernized” countries, thought to have many shared cultural values. Imagine the difficulties for refugees coming to the U.S. from vastly different countries. They face a great challenge in recognizing and readjusting parenting assumptions that are no longer shared by the wider society.

The Two Cultures - Wikipedia

Historians divide history into large and small units in order to make characteristics and changes clear to themselves and to students. It's important to remember that any historical period is a construction and a simplification. In Asia, because of its huge land mass and multiple diverse cultures, there are several overlapping timelines.

Recognized great powers came about first in Europe during the post-Napoleonic era. The formalization of the division between small powers and great powers came about with the signing of the Treaty of Chaumont in 1814. A great power is a nation or state that, through its great economic, political and military strength, is able to exert power and influence over not only its own region of the ...

List of ancient great powers - Wikipedia

Around 1050, Cahokia experienced what one archaeologist has called a “big bang,” which included “a virtually instantaneous and pervasive shift in all things political, social, and ideological.” 16 The population grew almost 500 percent in only one generation, and new people groups were absorbed into the city and its supporting communities. By 1300, the once-powerful city had undergone ...
