Ford 2714e Engine

Ford themselves did not produce a marine version of their engines until the Dover Series, however many Ford of Britain engines and a number of Ford licensed Spanish and Turkish (Ford Otosan) versions of these engines were marinised by third party companies or by individuals, and installed in various vessels, especially Asian Trawlers. Most all of these engines were factory new, but there were ...

Ford Dorset (Industrial) 2715E Tractor Parts | Agriline ...

Find the engine, casting, or part number. Ford places the part number in various locations, depending on the engine. Common locations include the rear of the engine, near the starter mount and bellhousing, on the front of the block's right side (when looking at it from the front), on the left side of in-line-cylinder engines, or by the oil filter mount.
