Civil War: Front Line is an 11-issue, limited series tie-in to Marvel Comics's Civil War event which started in August 2006.. Part of the story is told from the perspective of two reporters embedded in the opposite camps of the war. Ben Urich follows the stories on Iron Man's side with the pro-registration heroes, while Sally Floyd investigates the anti-registration faction headed by Captain ...

Civil War: Front Line - Wikipedia

The front line would be a thinly manned series of outposts, reinforced by a series of strongpoints and a sheltered reserve. If a slope was available, troops were deployed along the rear side for protection. The defence became fully integrated with command of artillery at the divisional level.
