The easiest way to find your Komatsu forklift's serial number is to check the forklift's nameplate (also called a data tag). This helpful label displays various details about your truck, like its model, its weight, how much it can lift, and more. Most importantly, though, a forklift's nameplate also displays its serial number.

Where do I find my Komatsu forklift's serial number?

Serial Box is your go-to Heavy Equipment Serial Number guide. At Serial Box, we believe the first step in buying construction equipment related to the construction industry, such as Caterpillar, Komatsu, John Deere and Bobcat is validating the machine's serial number. The team at Serial Box has worked over the course of the last year to compile and validate one of the largest collections of serial numbers in the world.
