Buy Thanks! How the New Science of Gratitude Can Make You ...
Print. Bookmark. Gratitude is central to nearly all religions, yet many Americans see it as a trite and sentimental notion. In his inspiring new book, Thanks!, psychologist Robert Emmons uses science to revive the concept of gratitude, citing new research on how saying "thank you" can measurably increase our happiness.

Book Review: Thanks! How the New Science of Gratitude...
Emmons also reaches beyond science to bolster the case for gratitude by weaving in the writings of philosophers, novelists, and theologians. Like no other book has before, Thanks! inspires readers to embrace gratitude and all the benefits it can bring into our lives.

Thanks! How the New Science of Gratitude Can Make You ...
The New Science of Gratitude ... Thanksgiving is around the corner and people young and old will be asked to consider what they are thankful for. This idea of giving thanks fits in perfectly with gratitude, but it does not completely capture what it is to be grateful.

The New Science of Gratitude - The Positivity Project
How the New Science of Thank You can Change Your Life. Some days, you just want to stay in bed and hope the world forgets you exist. David Patrick Columbia was having one of those days. New to New York City, he was worn down by the hustle and bustle, no longer excited and proud about relocating to Manhattan, as he had been weeks earlier.
