The Future As Cultural Fact

As we continue our blog series on issues of cross-cultural communication, one of the most mystifying can be that of whether the culture has a past, present or future orientation. It is an orientation that can shape every aspect of managerial behaviour and, when the orientations are not matched, the clashes are quite spectacular. Past-oriented societies are concerned with traditional values and ...

Cultural and Political societies. [Eds.] 1. The Black Arts Movement is radically opposed to any concept of the artist that alienates him from his community. This movement is the aesthetic and spiritual sister of the Black Power concept. As such, it envisions an art that speaks directly to the needs and aspirations of Black America.

LARRY NEAL The Black Arts Movement

The Future of Truth and Misinformation Online Experts are evenly split on whether the coming decade will see a reduction in false and misleading narratives online. Those forecasting improvement place their hopes in technological fixes and in societal solutions. Others think the dark side of human nature is aided more than stifled by technology.
