The Middle Ages was the time after the fall of the Roman Empire up to the time of the Renaissance. Also known as the Dark Ages, it was originally thought that this period of instability had no contributions to the world. However, without the Middle Ages we would have no Gothic design, no stained glass windows in churches, no illuminated manuscripts, and no sense of chivalry.

Types of horse used in warfare []. A fundamental principle of equine conformation is “form to function”. Therefore, the type of horse used for various forms of warfare depended on the work performed, the weight a horse needed to carry or pull, and distance travelled. Weight affects speed and endurance, creating a trade-off: armour added protection, but added weight reduces maximum speed.
